Webelos Encampment At Camp Geronimo

Webelos Encampment is a 4 day, 3 night resident camping experience at Camp Geronimo, specifically designed for new or current Webelos. This is one of the same camps that the Boy Scouts use for summer camp, and the same staff will be providing the program, so this is a great opportunity for the boys to experience a real summer camp before they become Boy Scouts.

Mornings offer an opportunity for Webelos to earn many activity pins, belt loops, and practice skills they will need when they become Boy Scouts. But its not all work, because in the afternoon, they have choices of many other fun activities. And in the evenings, there are campfires and other activities to give them an amazing outdoor experience.

When is it? July 26-29, 2014

Who can come? All Webelos, and their parents.

Cost: \$180 for youth, and \$140 per adult
